General Information

The City Council has established a number of Committees, Commissions and Boards to review City programs, projects and community issues. These groups provide greater community participation and input into local government and facilitate quality decisions by the City Council. This posting is designed as an informational tool and has been prepared to inform the residents of Calimesa of the opportunities for citizen participation in local government through citizen advisory committees.

By serving on a City advisory committee, commission or board, you can participate in planning the future of Calimesa. Many of these committees, commissions or boards are making recommendations that will greatly affect life in Calimesa. It is important that prospective members of our Commissions clearly understand the functions and responsibilities of membership before actively seeking appointment. A great deal of personal satisfaction may be received from public service, and the knowledge and experience gained will be invaluable.

Residents of Calimesa interested in serving on a Committee, Commission or Board should complete a Citizen Service Application. For further information contact the City Clerk's Office, 908 Park Avenue or call (909) 795-9801.

In compliance with the requirements of the Maddy Act, Government Code 54970, the above appointment list is posted on an annual basis by December 31. It shows all current members of City Commissions and Committees and the dates of their terms of office as of the time of this posting.
